

PETROMAX
TERMINAL

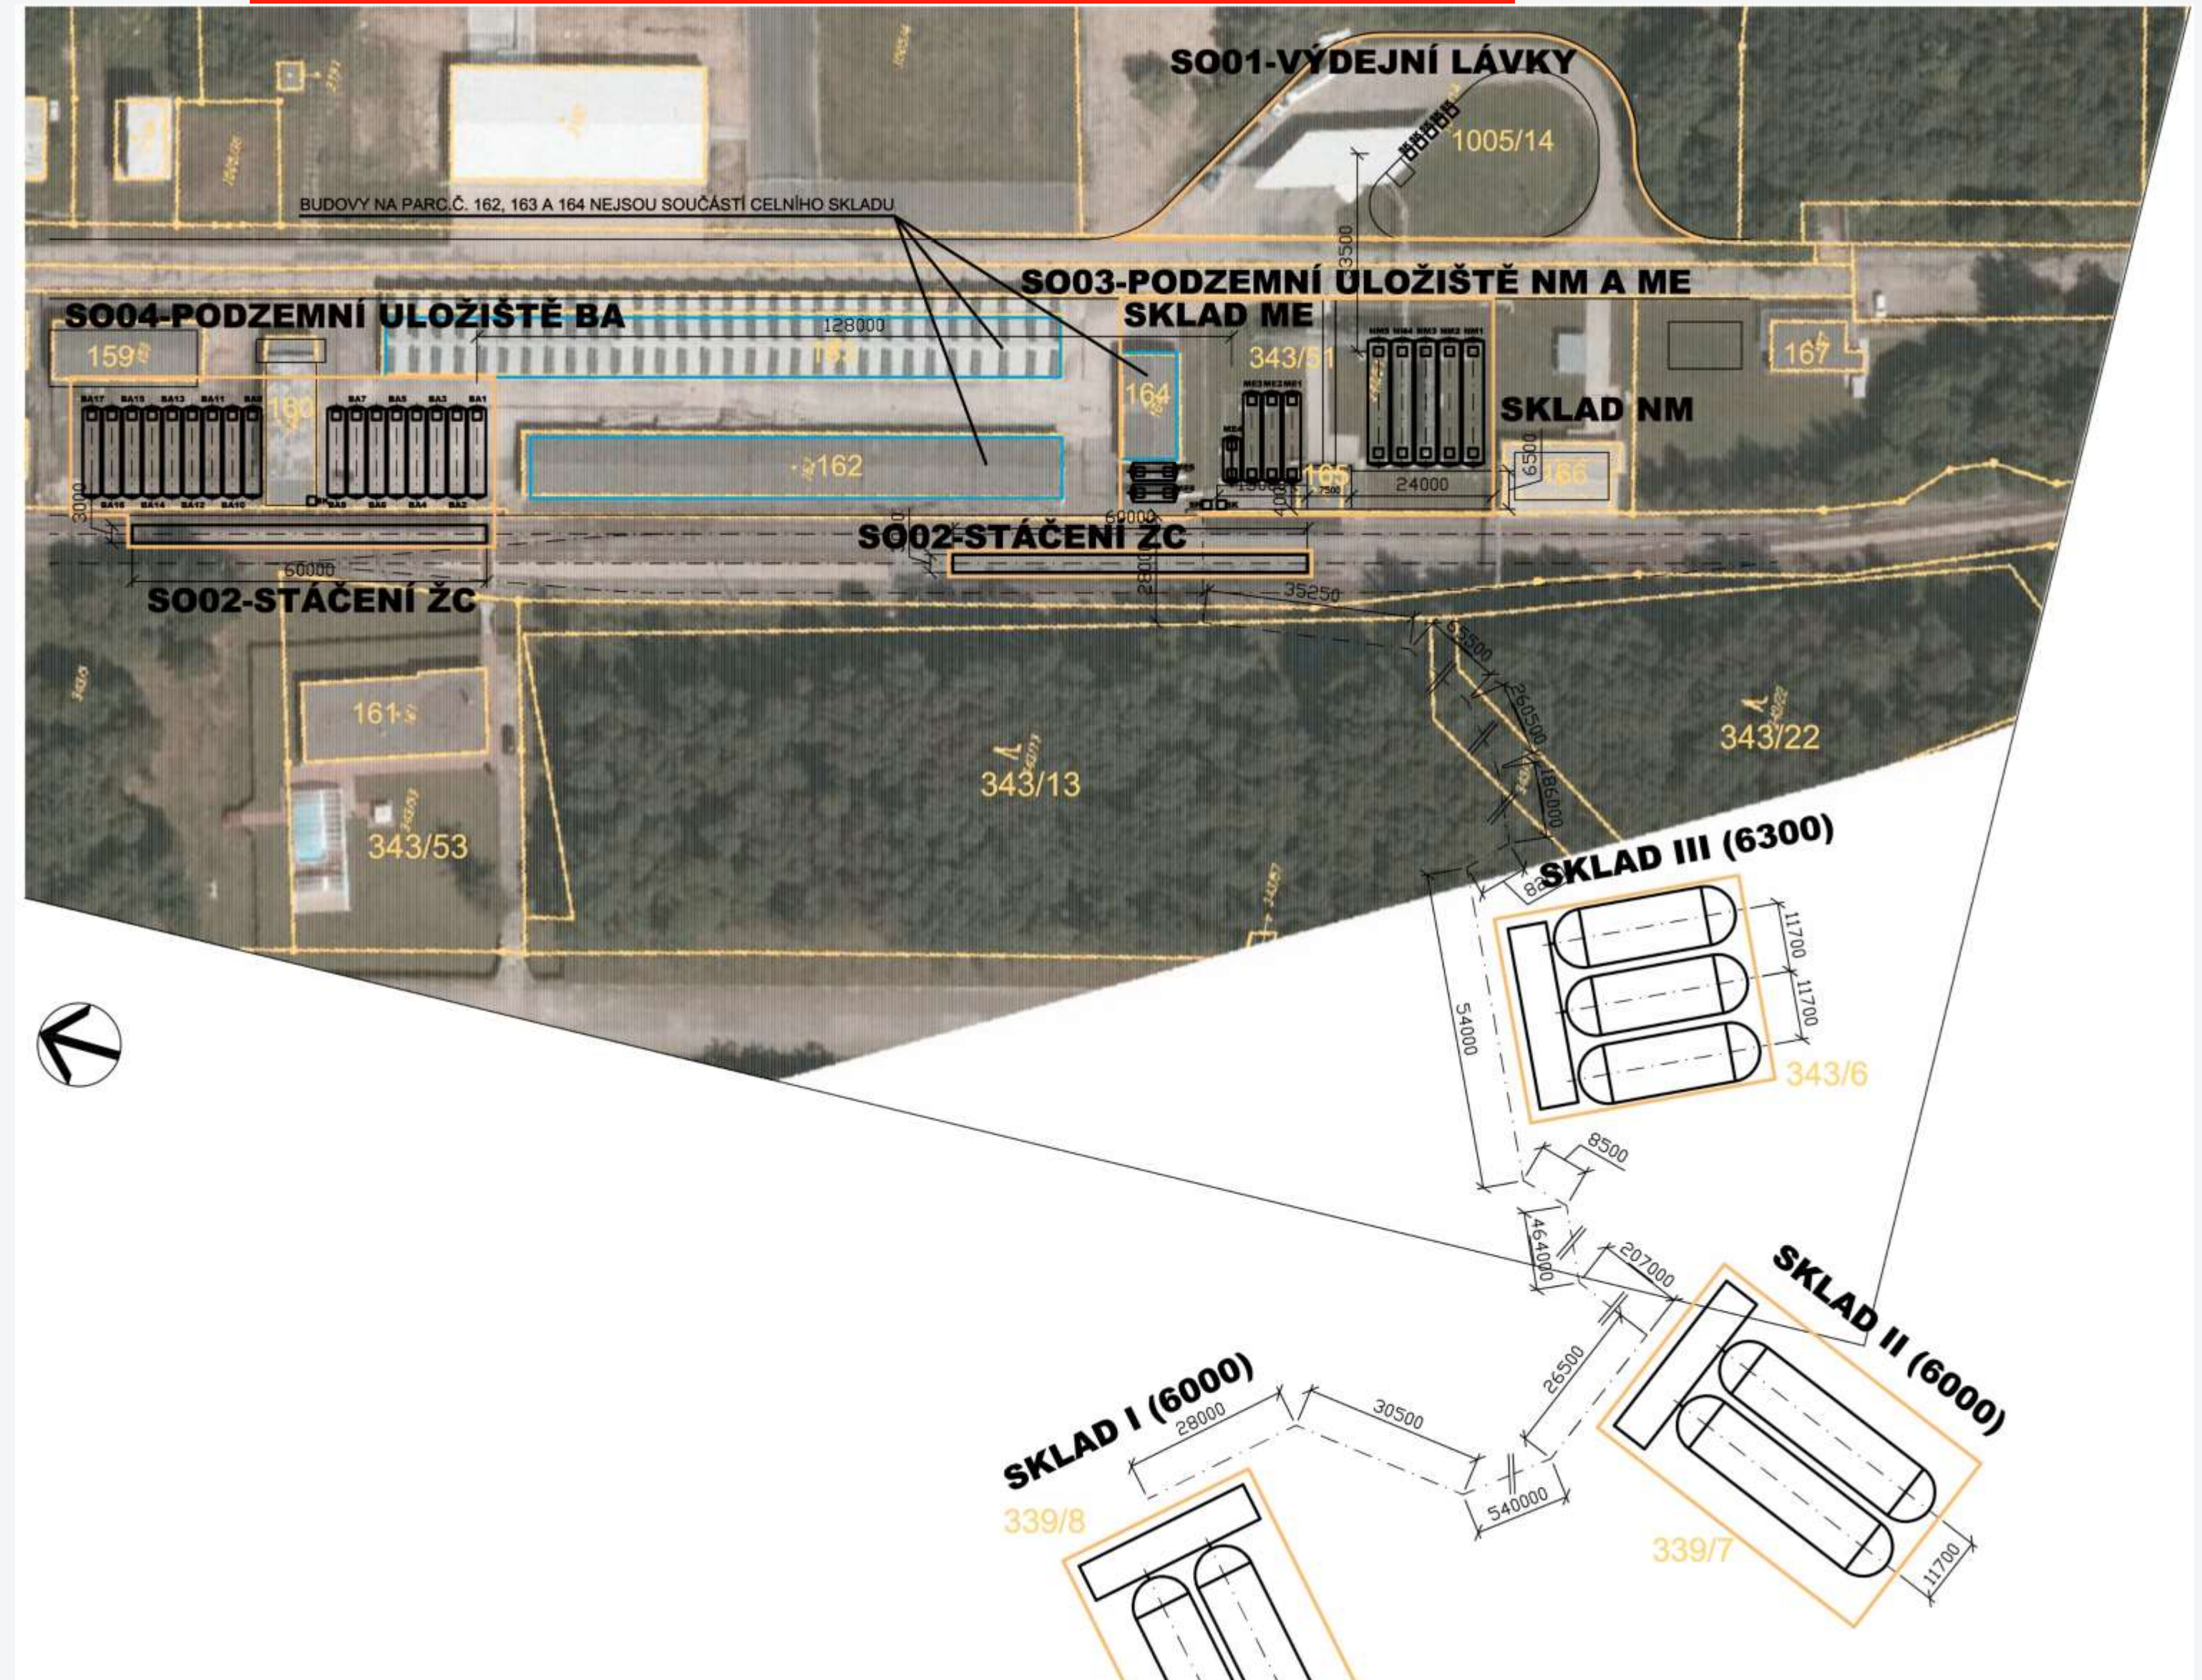

Tax free storage of mineral oils.

- The largest private tax-free storage in the Czech Republic
- Perfect location – D11 highway / Railway hub
- Fully registered within the EU legislation.
- Excellent railway connection with 2,6 km of own rail tracks.
- Storage capacity: 19.300t DIESEL
- Storage capacity: 1.700t GASOLINE
- Storage capacity: 450t FAME
- 2500 l/minute unloading flow
- Track category D – large train sets approved
- 10 unloading bays
- 5 loading bays
- The most modern technologies by EMERSON

Scheme

- All storage centers are linked together with a pipeline system.
- As the area is former military base, all tanks are located under the ground.
- 3-track rail helps fast unloading from the train.
- Railway junction has a certification „D Class“ – jumbos are welcome.
- Storage operates on a large area with a perfect potential of further growth.
